The Board of Trustees represents the people of the Green Point School District as the elected body created to determine, establish and uphold the educational policies of the District. In this capacity the Board functions under the laws of the State of California, but is free to plan for an educational program tailored to both the needs and resources of the communities served. The following information is provided to assist the communities in understanding the Board’s proceedings and to participate in those proceedings.

<p style="text-align: center;">ADDRESSING THE BOARD</p> <p>You may speak on a matter not on the agenda at the beginning of a regular meeting during the time reserved for public comment. After being recognized by the President, you will be allowed three minutes for your presentation. The Board will take no action on the matter at this meeting. You may speak on any item on the agenda when that item is being discussed.</p>	<p style="text-align: center;">REGULAR SESSION</p> <p>In order to address the Board, please wait for recognition by the President. Speakers are expected to be courteous and to avoid any remarks that reflect adversely on the character or motives of any person or on his or her race, religion, or political or economic views. The Board will hear public testimony on any given topic for a maximum of twenty (20) minutes. The Board may, by consensus and at its discretion, extend the time limit.</p>
<p style="text-align: center;">COMPLAINTS</p> <p>Complaints are to be addressed by first speaking with the person directly involved. If this does not resolve the issue, the complaint should be submitted in writing to the Superintendent. The Superintendent will investigate and respond in writing. Only after exhausting these levels can a written request be submitted asking that the issue be heard by the Board.</p>	<p style="text-align: center;">CLOSED SESSION</p> <p>While school board meetings must be open to the public, California law provides for closed sessions which are not open to the public when the Board is considering expulsions, suspensions or disciplinary actions in connection with any pupil; the appointment, employment or dismissal of a public officer or employee; or when the Board is hearing complaints or charges brought against a public officer or employee. The individual may, however, request a public hearing. In addition, the Board may hold a closed session to discuss certain aspects of negotiations with employees.</p>
